

30th November, 2016

Press Release

**Announcement of Approval of
Type-II Medical Devices Marketing Authorization Holder**

Micron Inc. (Henceforth “Micron”, CEO: Makoto Sato, Headquarters: Chuo-ku, Tokyo, Japan) has received approval as a “Type-II Medical Devices Marketing Authorization Holder” to market medical devices in Japan according to the provisions of Paragraph 1 of Article 23-2 of the Law for Ensuring the Quality, Efficacy, and Safety of Drugs, Medical Devices, Regenerative and Cellular Therapy Products, Gene Therapy Products, and Cosmetics (Pharmaceutical and Medical Device Act; PMD-Act) from The Tokyo Metropolitan Government on 2nd November, 2016.

The details of the approval are shown below;

Approval Number: 13B2X10305

Main Office: Micron Inc.

(Nihombashi Nishikawa Bldg., 1-5-3, Nihombashi, Chuo-ku, Tokyo, Japan)

Micron has developed strong relationships with pharmaceutical companies and medical device companies through services for imaging clinical trials.

From now on, we will commence “Software as Medical Device (SaMD)” development with this approval, such as medical imaging biomarker analysis software. Also, we are ready to act as an agent of foreign companies who are interested in expanding into the Japanese market with their imaging software, but do not have a Japanese subsidiary or specific partners in Japan.

Our services will continue to evolve and improve in response to our clients’ needs so that we can become your firm’s best partner in clinical development.
